Figures

Figure 1. You CAN survive the pink slip crash.....	1-2
Figure 2. A person working at a company and something totally distinguishes them from the other workers.	1-4
Figure 3. You May Not want to go to Court, but it is One of your Options When You are Treated Unfairly	1-8
Figure 4. Positive Change Strategy	1-12
Figure 5. Change not only just happens, but it occurs in a fairly predictable fashion.....	1-13
Figure 6. If you hide away from the problem (or someone else hides the problem away from you) you will never be able to face it (and solve it!).	1-16
Figure 7. It's hard to be told you don't belong any more.....	1-18
Figure 8. During the Exploration Phase your energy may fluctuate from highs to lows – often being unfocused and unproductive.	1-19
Figure 9. When you realize where you're at, then you can do what you need to do in this moment.	1-20
Figure 10. To obtain benefits from DET (in most places) simply place a phone call.....	2-26
Figure 11. You want to be sure that your money will be there when you need it, whether it is for retirement or children's education (or both!)	2-36
Figure 12. Deciding between investment options can be confusing.....	2-39
Figure 13. Deciding where to put your money can feel like a guessing game unless you get some help.	2-44
Figure 14. Sample distribution of investment funds	2-46
Figure 15. Periodically evaluate how your portfolio is doing... ..	2-49
Figure 16. You really do not have to live like a miser to save like one.	2-50
Figure 17. Sometimes just finding one reason to get out of bed in the a.m. will lead you to a productive day.	3-54
Figure 18. A better day can be today.....	3-56
Figure 19. Reading can bring you knowledge in so many ways.....	3-57

Figure 20. Sometimes it is good just to kick your shoes off and relax.....3-63

Figure 21. Don't let your fear overwhelm you.3-65

Figure 22. Even just focusing on today can keep you running.3-66

Figure 23. If you take your mind off of the lion's mouth, you'll see many wonderful events are happening around you.....3-67

Figure 24. Use every experience as a learning opportunity.3-70

Figure 25. Forgiveness is not always easy, but it can clear your heart.3-71

Figure 26. "Let Go and Let God" whatever is bothering you.....3-72

Figure 27. Decide on specific activities to do to keep you feeling more productive and energized (for those interviews!).3-73

Figure 28. You CAN find peace at any moment.3-74

Figure 29. Let other people help bring you joy, like this man talking on the phone to a friend.....3-76

Figure 30. Your dream job may be in today's paper (or it may not).....3-77

Figure 31. Making an unemployment to do list will keep you focused and productive.3-78

Figure 32. Dive in and get in shape.3-80

Figure 33. Write about it, you'll feel better.3-81

Figure 34. There is quite a gap between finding jobs with your skill sets and getting the job.4-84

Figure 35. Your next job may be in this week's newspaper or in today's email.4-86

Figure 36. Employers looking for certain skill sets may call you at any time.4-89

Figure 37. Making cold calls can result in a lot of rejection, but also may lead to the job of your dreams. 4-90

Figure 38. Bringing a resume to a job fair can be quite intimidating . . . but it is an effective way to get a job.....4-95

Figure 39. Meet other people in your profession, including employers and find out the latest trends in the industry at professional society meetings.....4-97

Figure 40. Your dream job can be just a meditation away.....5-126

Figure 41. All meditations in this chapter follow the same format, but you can choose the type of visualization you need depending on the type of day you are having.....5-129

Figure 42. Relax, Visualize, Affirm, Wake Up Refreshed5-134

Figure 43. Choose the module that will help you clear your head, come to center and enjoy this day the most.5-141
